

# 2019

The York Design Awards now enter their 13th Year and the search for York's best designed new buildings, spaces and conservation projects is on again.

The aim of the Awards is to encourage and promote excellence in design and conservation, striving for the highest standards which will delight present and future generations.

These prestigious Awards are open to all developments within the City of York Council boundary, completed within the last three years (2015 onwards).

NOTE: Schemes previously submitted cannot be re-entered.

The Judges are independent & eminent in their chosen fields of architecture, planning, and conservation. The Chairman is Geoff Rich, a managing partner at nationally renowned architectural practice Feilden Clegg Bradley Studios.

The Awards are organised by a steering committee whose members include:

- City of York Council
- York Architectural Association
- York Guild of Building

The Awards are supported each year by The Rt. Hon. the Lord Mayor of York
