

2026

The York Design Awards now enter their 18th year and the search for York's best designed new buildings, spaces and conservation projects is on again.

The aim of the Awards is to encourage and promote excellence in design and conservation, striving for the highest standards which will delight present and future generations.

These prestigious Awards are open to all developments within the City of York Council boundary, completed within the last three years (2023 onwards).

NOTE: Schemes previously submitted cannot be re-entered.

"Fine design is when the hand, the head and the heart of man work together"
Julian Bicknell, after John Ruskin

The Judges are independent & eminent in their chosen fields of architecture, planning, development and conservation. Chair of judges is Nicky Watson, director of award-winning JDDK Architects. Fellow judges are conservation architect Janine Riley; and José Esteves De Matos, director of award-winning architectural practice De Matos Ryan.

The Awards are supported each year by The Rt. Hon. the Lord Mayor of York.

A steering committee runs the awards but is completely independent of the judging process.
